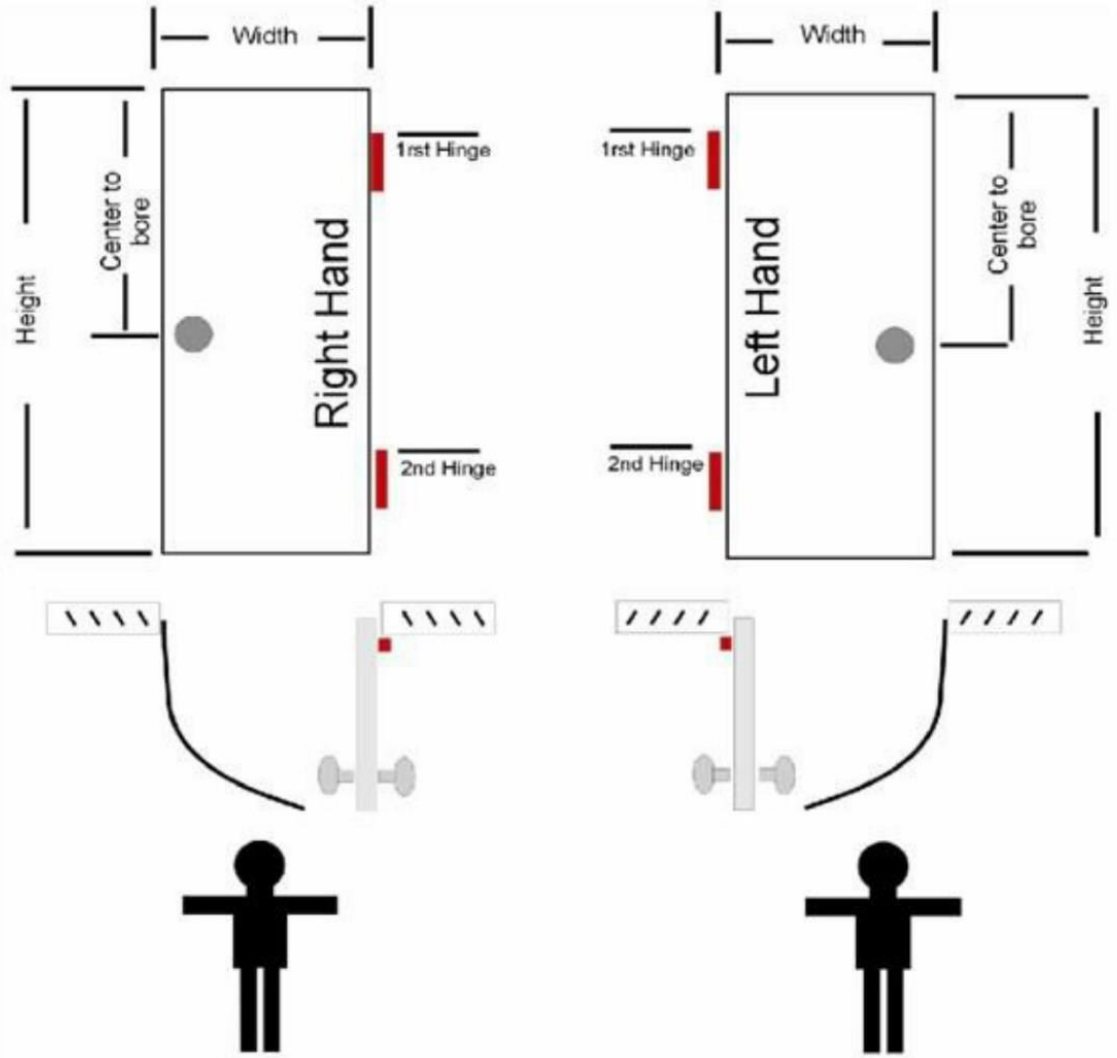
Interior / Exterior Doors



If you are standing here this is the hinge style you will require when ordering.
Please note: all doors to swing towards you.

Measure the width and the height of the door.

Measure where the first hinge starts from the top down. Duplicate for 2nd or 3rd hinge.

Indicate radius type and hinge height.

Indicate whether the hinges are in the right or left - See diagram for reference.

Measure where the middle of the bore will be for the handle. Repeat for each bore.

Repeat for each door.
